Dear Mr. Godina:

RE: ML's 29216, 30645, and 34863 - Gilsonite

I am in receipt of a copy of the letter to you from the Division of Oil, Gas, and Mining dated March 20, 1979. It is my understanding that your Ute 32 Mine is not in compliance with the mining plan and that you have been given a May 15 deadline to take corrective actions. I urge you to comply with the directions given by the Division of Oil, Gas, and Mining immediately as any disciplinary action brought by that Board may lead to cancellation of your State leases and compromise of your reclamation bond.

Sincerely yours,

JOHN T. BLAKE
